Re: Application for MMTC License

Dear James F. McCann, Inc.:

On April 28, 2023, the Department of Health (Department) received your application for medical marijuana treatment center (MMTC) licensure in the April 2023 batching cycle. The Department also received your additional documents and information in response to the Department's errors and omissions letter.

This is the Department's notice of intent to *deny* your application for licensure as an MMTC for the following reasons:

First, your application failed to demonstrate that the following owners, officers, board members, or managers have passed a background screening as required by section 381.986(8)(b)8., Florida Statutes, and Emergency Rule 64ER22-9 and the incorporated Application Instructions:

Lastly, and notwithstanding the reason listed above, your application did *not* receive a score that qualifies you for MMTC licensure in the April 2023 batching cycle. The twenty-two highest scoring applications that are eligible for licensure received scores ranging from 2,826 to 3,273. Your application received a score of 2,159.

Sincerely,

*Christopher Kimball*
