Re: Application for MMTC Licensure – Errors and Omissions Letter

Dear Global Investment Group, Inc., d/b/a Infinite Wellness,

On April 26, 2023, the Florida Department of Health received your application for MMTC licensure (the "Application"). The Department has identified the following apparent errors or omissions in your Application.

1. Subsection 4.8.4, Prior Enforcement Action

Subsection 4.8.4 of the Medical Marijuana Treatment Center License Application Instructions, Requirements and Forms (the "Application Instructions") requests that the applicant disclose and describe prior enforcement actions taken against the applicant's owners and managers. The applicant must first state whether each of its owners and managers has served as an owner or manager of a Florida-licensed dispensing organization or MMTC that has been subject to enforcement action by the Department. The applicant must then describe any such enforcement action.

In your Application, you indicated that individuals who are listed as owners or managers in Subsection 4.3.3 of your Application have held managerial roles in other MMTCs, including

• **119.0715**
[Redacted]

While you stated that enforcement actions may have been taken against **119.0715**, the Application omits information describing those enforcement actions. As required by Subsection 4.8.4 of the Application Instructions, please describe the circumstances surrounding any enforcement actions taken against **119.0715**.

2. Subsection 4.13.3, Capitalization Tables, Change of Control, and Related Entities

Subsection 4.13.3 of the Application Instructions requires, among other things, that entity applicants provide a fully diluted capitalization table.

Subsection 4.13.3 of your Application contains a capitalization table for Global Investment Group, Inc. However, the capitalization table appears **119.0715**

Please provide a corrected, fully diluted capitalization table listing all share types and the aggregate sum of shares associated with or flowing to any natural person that equals 100%. The table must list all share types and interests and must show the aggregate sum of shares, including those associated with or flowing to any natural person owners or investors of Global Investment Group, Inc.

Deadline to Respond

The Department must receive the above-requested documentation and information within twenty-one (21) calendar days of the date on which the Department emails this letter to you. See Section 5.1 of the Application Instructions for the submission address and requirements. Failure to supply the requested documentation and information identified above may result in denial of your Application.

If any materials submitted to the Department in response to this letter contain confidential information, you must comply with the requirements of Section 2.4 of the Application Instructions when submitting such information.

Sincerely,

Christopher Kimball
